### Announcement regarding dividends and disposition of retained earnings

At a meeting of the company's Board of Directors, on February 7, 2008, Future Architect considered proposals for the payment of dividends from retained earnings. This proposal will be presented for approval at the 19<sup>th</sup> regular general shareholders' meeting, to be held in late March, 2008.

Details:

#### 1. Content of the dividend distribution

	Current proposal	Most recent dividend forecast (August 7, 2007)	Previous fiscal year (ended December 2006)
Date of record	December 31, 2007	December 31, 2007	December 31, 2006
Dividends per share	¥950	¥850	¥950
Total dividend payment	¥425 million	---	¥419 million
Date of declaration	March 25, 2008	---	March 23, 2007
Source of dividends	Retained earnings	---	Retained earnings

#### 2. Reason

Every year, the company makes a decision regarding the appropriate balance between retained earnings and dividend payments, based on a careful consideration of the business environment affecting the company, earnings conditions and financial position.

During the fiscal year under review, sales, recurring profit and net profit all reached the highest levels in company history. As a result, the company decided to change the amount of its dividend, which was originally intended to be ¥850 per share. At the company's 19<sup>th</sup> regular general shareholders' meeting, which is due to be held in late March 2008, the company will propose an increase in the dividend, to ¥950 per share.
