

Future Architect Helps Fukushima Bank Promote DX

Introduction of a next-generation banking system aiming for full operation in 2024

Future Architect, Inc.
TOKYO, Japan, January 20, 2022 / Future Architect, Inc.

Future Architect, Inc. (Headquarters: Shinagawa-ku, Tokyo; President: SHINGU Yuki; hereinafter, “Future Architect”), a main operating company of Future Corporation (Securities Code: 4722), has announced that the “next-generation banking system” to be provided to SBI Regional Revitalization Services Co., Ltd. (Head office: Minato-ku, Tokyo; President: KITAO Yoshitaka) based on the basic agreement on the business alliance with SBI Holdings, Inc. (Head office: Minato-ku, Tokyo; President: KITAO Yoshitaka) will be introduced to The Fukushima Bank, Ltd. (Head office: Fukushima City, Fukushima; President: KATO Takahiro; hereinafter, “Fukushima Bank”). The project is being developed with the aim of full operation in 2024.

This next-generation banking system is a cloud-based core business system that redefines the entirety of banking services required of regional financial institutions, built using the latest technology as the digitalization of society accelerates.

Based on our track record and know-how gained from supporting the reform of more than 30 regional financial institutions nationwide, Future Architect will support the “promotion of DX” as an IT strategy partner of Fukushima Bank, helping them develop new services, strengthen sales capabilities, and improve operational efficiency.

About: Future Corporation

Future Group is a company that conducts "IT Consulting & Service Business" and "Innovation Business" through the use of latest technology. Since the founding in 1989, we have designed and improved the business of our clients through developing systems that integrates business management with IT.
