

Future Recognized as Best Workplace in “D&I AWARD 2024”

Future Corporation
TOKYO, Japan, December 18, 2024 / Future Corporation

Future Corporation (Headquarters: Shinagawa-ku, Tokyo; Chairman and President, Group CEO: KANEMARU Yasufumi; hereinafter referred to as “Future”) has been recognized as a Best Workplace, the highest rank, in the “D&I AWARD 2024” organized by JobRainbow Co., Ltd.

The “D&I AWARD” is Japan’s largest award recognizing and honoring companies committed to diversity and inclusion. D&I initiatives of companies operating in Japan are scored on a 100-point proprietary index based on five factors: gender, LGBTQ+, disability, multicultural coexistence, and childcare/caregiving, and certification is awarded according to scores. Best Workplace is the highest-ranking certification given to companies with a score of 81-100 out of 100. Future received a score of 93 points and was recognized as a leading D&I company where each and every employee actively promotes D&I.

With each member of our diverse human capital making the most of his/her talent, Future continues to create new value for the clients’ future and society.

About: Future Corporation

Future Group is a company that conducts "IT Consulting & Service Business" and "Innovation Business" through the use of latest technology. Since the founding in 1989, we have designed and improved the business of our clients through developing systems that integrates business management with IT. Our clients are from various industries including Finance, Manufacturing, Distribution and Logistics. We have also created our own new services based on the know-how we have accumulated in this process. We are contributing to the society by promoting innovation and creating new values for clients that is based on the strengths of "connoisseurship" and "implementation ability" of latest technologies such as AI and robotics.
